NEW FOREST RAILROAD BEING BUILTNEW RAILROAD TO OPEN BOSNIAN FOREST -- Rad, No 123, 25 May 49

Sarajevo -- A forest railroad 12 kilometers long is being built from Rudno to Otjes and Ravna Gora. This will permit the exploitation of one of the richest forest districts in Yugoslavia, which has been impossible in the past because of the lack of transport facilities. The new railroad will penetrate hitherto inaccessible forest.

The construction of the line will have advanced far enough to permit its use for transporting wood in June. The track is expected to be extended later, as required, to other lumbering sites.

GOOD FISHING ALONG CROATIAN COAST -- Vjesnik, No 1261, 22 May 49

This year the catch of bluefish along the entire coast of the Primorje has been excellent. Thirty carloads were caught during the first catch, and 43 carloads were caught during 3 days of the second catch. Of this figure, eight carloads were caught near Zadar and 15 near Dubrovnik, Makarska, and Trogir.

Most of the fish caught are salted. Some are being purchased by crop purchase agencies for food and shipped to the markets in the Primorje and the interior.
